Drug exception application form

Sun Life Financial

Sun Life Assurance Company of Canada, a member of the Sun Life Financial group of companies, is committed to keeping information concerning this application confidential.

1 Important – please read carefully

Sometimes it may be medically necessary for your physician to prescribe a drug not covered or not fully covered by your plan. If this is your situation, you can request that Sun Life Assurance Company of Canada make an exception.

Exceptions will only be made for drugs which legally require a prescription.

To be eligible for coverage, trials with two alternative drugs covered on your plan may be required.

If you have already purchased the medication for which you are requesting an exception, please attach all original receipts along with a regular extended health care claim form.

Your exception request will be reviewed and a decision will be communicated to you in writing and will include the period for which this decision applies.

Please note that the completion of this form is not a guarantee of approval. It must be completed in full, otherwise it will be returned to you. Any expense for medical evidence to support this request is your responsibility.

2 To be completed by Plan Member

Please have your physician complete the reverse side of this form.
